

The Power Point presentation

https://docs.google.com/presentation/d/1ZugrtLZrHw9_UtMXy9AIQ4vFeCnuVsQLLsJoHHUWHfE/edit?usp=sharing

The data used for fanfiction and rating classification for my first try.

[Fanficbodies.csv](#)

This was a 500 fic dataset I used to train rating on the second try.

[Rating.csv](#)

This was the 200 fic test set I used to test the fandom classifiers with BERT.

[Fandom_test.csv](#)

Here is the 200 fic test set I used to test the rating classifier wit BERT
